Pictures at an Exhibition presents images of one notable show every weekday.

Today's show: " Patrick Martinez: All Season Portfolio " is on view at Charlie James Gallery in Los Angeles through Saturday, February 18. The solo exhibition represents new work in a wide range of media, including neon works that reference hip-hop culture, paintings on stucco panels, and works on found Pee-Chee folders that "memorialize victims of police brutality," according to the show's release.
